PROFILE

Computer Engineering graduate with hands-on experience in building web applications using Java, Spring Boot and React. Passionate about clean backend architecture and eager to grow as a backend developer in a collaborative team.

SKILLS

Languages: Java, C#, TypeScript
Frameworks & Libraries: Spring Boot, Hibernate, Spring Security, Spring AOP, JWT, React, Redux, RabbitMQ
Web Technologies: RESTful APIs, JSON/XML

Databases: MySQL, PostgreSQL, H2	**Version Control:** Git, GitHub
Build Tools: Maven, Gradle	**DevOps & Deployment:** Docker, Heroku, Vercel

PROJECTS

Bazaar - Multi Vendor E-Commerce Platform Live Site | GitHub
Developed a full-stack marketplace app with **Spring Boot** & **React**. Features **role-based authentication** with **JWT**, Stripe payment integration, wishlist system, seller dashboard with product **CRUD** and integration with FakeStore API. Deployed via **Vercel** and **Render**, enabling a fully functional, publicly accessible live application.

Amazing School Management System GitHub
A school management system with Spring Boot + **Thymeleaf**. Features CRUD operations for class and subject management, secure user authentication and authorization, **sorting** and **pagination**.

Form Builder GitHub
Customizable form builder application with Spring Boot + **Angular**, deployed in 13 hospitals across Turkey.

EXPERIENCE

TECHCAREER BOOTCAMP *Full-Stack Developer Student*   *04/2024 - 05/2024*
Studied the fundamentals of full-stack development and built a scalable To-Do List application using React and Spring Boot, implementing CRUD operations.

TÜPRAS *IT/OT Engineer Intern*   *08/2023 - 09/2023*
Observed corporate IT/OT infrastructure and assisted with hardware setup and workstation organization.

MERGENTECH *Full-Stack Developer Intern*   *06/2022 - 08/2022*
Developed a customizable form builder using Angular, designed to simplify form creation for hospital staff.

EDUCATION

CUKUROVA UNIVERSITY   **Adana, Turkey**
Bs in Computer Engineering (Transfer) **GPA: 3.32/4.00**   09/2017 - 06/2019

ESKISEHIR TECHNICAL UNIVERSITY   **Eskisehir, Turkey**
Bs in Computer Engineering **GPA: 3.03/4.00**   09/2019 - 11/2023

CERTIFICATES

Full Stack Bootcamp Graduate - **TechCareer** | Java 101/Java 201 - **Turkcell** | Spring Boot - **Amigoscode**
